<small>Home Inspector licensees are not required to complete continuing education during their first licensure cycle. As such, current licensees will not receive continuing education credit for any course taken prior to August 1, 2012 and are not required to complete continuing education until the August 1, 2012 thru July 31, 2014 licensure period.</small>																			
<small>This is a reminder that both the provider number and the course numbers are to be used when corresponding with this office and when making reference to or advertising your classes. It is the provider's responsibility to track course expiration dates and to submit renewal applications prior to the expiration date identified above. Course(s) must be taught in their entirety before they are reported to the department and partial credit is not permitted.</small>																			
<small>*Continued course approval is subject to the course content being maintained in accordance with the materials submitted for evaluation. Course materials should be modified to conform to changes in rules, statutes, codes and standards. You should submit significant modifications to course material to the department prior to those changes being incorporated into the course. The department or the board must approve such modifications before they may be incorporated into the course material.*</small>
